- ☐ **General Location Map**
- ☐ **Current survey(s)** of property, signed and sealed, showing existing conditions. The survey should consist of the proposed project site alone excluding adjacent properties or portions of lands not included in the proposal.
- ☐ **Proposed plat** with all required technical specifications met.
- ☐ Separate **sketch and legal description** of NVAL.

**NOTES:** All plans and documents must be bound, stapled and folded to 8 ½" x 11". All copy sets must be clear and legible.

TECHNICAL SPECIFICATIONS:

As required according to Section 47-24.2, applicant must provide the following.

1. The plat submitted for approval shall be clearly and legibly drawn in black waterproof drawing ink upon tracing cloth or an approved drafting film.
2. Plats shall be on sheets twenty-four (24) inches by thirty-six (36) inches overall, with one (1) inch borders on three (3) sides and a three-inch border on the left. When the size or shape of the subdivision necessitates more than one (1) sheet, each sheet shall be clearly marked as near as possible to the upper right corner "Sheet No. ( ) of (total) sheets". All multiple sheet plats shall be clearly cross-referenced to the proper sheet numbers at the match lines and a reasonable portion of the overlapping area shall be shown in outline form. In addition, every plat sheet shall have placed in the upper right corner outside the border "Plat Book Page" for the use of the recorder.
3. The plat shall be at a scale of not more than one hundred (100) feet to the inch and shall include the following information:
  - a) Subdivision name or identifying title including the section (s), township(s), range(s), city, county, and state.
  - b) Location sketch showing location of subdivision with respect to section lines and surrounding streets and landmarks.
  - c) North point, graphic scale and month and year plat drawn.
  - d) Corporate limits when in or adjacent to subdivision.
  - e) Boundary lines of the tract with accurate distances to hundredths of a foot and angles to half minutes. These boundaries shall be determined by accurate survey in the field, which shall be balanced and closed with error closures not to exceed one (1) foot to five thousand (5,000) feet. Surveys shall be coordinated and tied into the nearest established section corner or quarter section corner by angle and distance.
  - f) The exact names, locations and widths along the property lines of all existing or recorded streets intersecting or paralleling the boundaries of the tract.
  - g) The accurate location of all permanent reference monuments.
  - h) The exact layout including: street and alley lines, street names, bearings, angles of intersection and widths (including widths along the lines of any obliquely intersecting streets); lengths of area and radius, points of curvature and tangent bearings; all easements owned by or rights-of-way provided for public utilities; all lot lines with dimensions in feet and hundredths, and with bearings or angles if other than right angles to the street and alley lines.
  - i) Lots numbered in numerical order within each block or lettered in alphabetical order.
  - j) The accurate outline of all property which is to be dedicated or proposed for public use including open drainage courses and suitable easements, and all property that may be reserved by covenants in deeds for the common use of the property owners in the subdivision with the purposes indicated thereon.
  - k) A complete description of land intended to be subdivided, and the extent and boundaries of the platted area shall be graphically indicated in a clear and understandable manner.
  - l) Names and locations of adjoining subdivisions, the adjacent portions of which shall be shown in outline form.
  - m) Acknowledgment by the owner or owners and all mortgage lien holders of lands included within the plat of the execution of same and the dedication to public use of all streets, alleys, parks, easements and other public places shown upon same.
  - n) The certificate of the surveyor attesting to the accuracy of the survey and that the permanent reference monuments have been established according to law.
  - o) Space and forms for the following necessary approvals:
    - City Commission
    - City Planning and Zoning Board
    - City Engineer
    - County Commission
    - County Engineer
  - p) Dedication. The plat shall contain upon the face thereof an unreserved dedication to the public of all streets, highways, alleys, parks, parkways, easements, commons or other public places included within the plat, such dedication to be subscribed to by the legal and equitable owners of such lands and by all persons holding mortgages against such lands, with dedication shall be acknowledged before an officer authorized to take acknowledgments of deeds. Such plat containing such dedication, when properly recorded, shall constitute a sufficient, unrevokable conveyance to vest in the City fee title to the parcel of land dedicated for public use, to be held by the City in trust for the uses and purposes intended, and the approval of the plat by the City Commission shall have the force and effect of an acceptance.
  - q) Payment of Taxes. No plat shall be accepted by the City or approved by the City Commission unless and until all taxes and improvement liens levied against the land included in such plat have been paid and discharged

SIGN NOTICE

Applicant must **POST SIGNS** (for Planning and Zoning Board and City Commission Hearings) according to Sec. 47-27.4.

- Sign Notice shall be given by the applicant by posting a sign provided by the City stating the time, date and place of the Public Hearing on such matter on the property which is the subject of an application for a development permit. If more than one (1) public hearing is held on a matter, the date, time and place shall be stated on the sign or changed as applicable.
- The sign shall be posted at least fifteen (15) days prior to the date of the public hearing.
- The sign shall be visible from adjacent rights-of-way, including waterways, but excepting alleys.
- If the subject property is on more than one (1) right-of-way, as described above, a sign shall be posted facing each right-of-way.
- If the applicant is not the owner of the property that is subject of the application, the applicant shall post the sign on or as near to the subject property as possible subject to the permission of the owner of the property where the sign is located or, in a location in the right-of-way if approved by the City.
- Development applications for more than one (1) contiguous development site shall be required to have sign notice by posting one (1) sign in each geographic direction, (north, south, east and west) on the public right-of-way at the perimeter of the area under consideration.
- If the sign is destroyed or removed from the property, the applicant is responsible for obtaining another sign from the City and posting the sign on the property.
- The sign shall remain on the property until final disposition of the application. This shall include any deferral, rehearing, appeal, request for review or hearings by another body. The sign information shall be changed as above to reflect any new dates.
- The applicant shall, five (5) days prior to the public hearing, execute and submit to the department an affidavit of proof of posting of the public notice sign according to this section. If the applicant fails to submit the affidavit the public hearing will be postponed until the next hearing after the affidavit has been supplied.
